Subject: Fw: FOR YOUR APPROVAL - Questions from Scranton Times-Tribune reporter

David,

Laura Lagere is writing another story focusing on the methane found in some Dimock wells. These responses to her questions were prepared using much of the language in the approved Qs and As. Let me know if these are good to go.
Thnx. -- Terri

Terri, based on comments received I have made some edits to the responses to the questions raised by Laura Legere. I believe these are ready for you to share with David Bloomgren. Call with any questions. Thanks, dennis.
